

Skyview Band Parent Form

I have read and understand the band handbook located at Skyviewbands.com

I understand that my student may not use his/her cell phone or any handheld device during indoor or outdoor rehearsal. If my student is using his/her mobile phone or device during these time, I understand and agree that my student will receive additional graded assignments. I know that if my student(s) is caught using their phone or device three times, they will not be allowed to march at our next football game or competition.

I understand that for my student to letter in marching band, they are only allowed (1) absence from any rehearsal and (0) absences from any competition. Students may only be marked "late" (3) times for all rehearsals. A student that arrives ten minutes past call time will be marked late, and if the student is 20 minutes late, they will be marked absent.
